

The Sprayberry High School Choirs present:

# Spring Choral Concert

April 28th, 2022

Alan Roberts, Choral Director

Thank you for being in attendance for tonight's concert. Please silence all cell phones and electronic devices, as noises can be distracting to the performers on stage.

Tonight's concert serves as both our final concert of the year and our senior night. We are so grateful to our choir seniors for their years of dedication and leadership to our choral program. Please join me in expressing gratitude to them! Congratulations to the Sprayberry class of 2022!
